Friedman Law Offices, P.C., L.L.O. announces its Annual Holiday Taxi Ride Program starting December 15th – December 31st. Friedman Law Offices has been doing this public service for over 20 years.

If you have had too much to drink, call **402-474-SAFE** for a free ride home between the hours of 9:00pm – 2:00am. Restrictions are that you must be a licensed driver and your destination must be to a residence (not a bar or restaurant) within the City of Lincoln.

Herb Friedman said that “The holiday season is always a happy time, but unfortunately many people drink and drive. This is our way of giving something back to the community and sending out the message that drunk driving can be very dangerous. **If your drink, please get a designated driver.**”
